§312-17. Plumbers' permits and performance bonds.

- A. Every plumber shall file with the Board or its authorized representative a performance bond in the penal sum of ~~\$2,000~~ \$10,000 for each 100 homes or fraction thereof in which he shall make installations, repairs or improvements in any twelve-month period. Water main contractors shall be required to furnish a performance bond in an amount equal to 100% of the total amount of the contract before commencement of work. Such bonds shall be placed with one or more sureties acceptable to the Board and shall be conditional that the licensee will pay to the district the amount of all fines or other expenses imposed by the Board in connection with the performance of the work of the licensee upon any facility owned by or which at any time in the future may be owned by the district and further conditioned that the licensee will indemnify and save the district, the Board and the employees thereof harmless from liabilities and all damages and injuries resulting directly or indirectly from an installation, repair, extension or use of the facilities of the district performed by him and further conditioned that the licensee will replace and restore to the satisfaction and approval of the appropriate government authority all streets and pavement removed by the licensee in connection with the work performed by him. Such performance bond is to cover and insure the district against defective material or workmanship of such installations, repairs or improvements for a period of one year from the date of inspection by the Smithtown and St. James Water Districts as herein provided.

Dated: January 8, 2019

BY ORDER OF THE TOWN BOARD
OF THE TOWN OF SMITHTOWN
VINCENT PULEO
TOWN CLERK
