SUFFOLK COUNTY SHELLFISH AQUACULTURE LEASE PROGRAM IN
PECONIC BAY AND GARDINERS BAY

PUBLIC NOTICE

REQUEST FOR WRITTEN COMMENTS ON PROPOSED SHELLFISH AQUACULTURE LEASE SITE

Notice is hereby given that the Suffolk County Department of Economic Development and Planning has received an amended application from Amagansett Oyster Co., LLC - a 2017 Lease Cycle applicant - for a 10-acre lease site in Napeague Bay. In accordance with the Stipulation of Settlement in the matter of the Devon Yacht Club, Inc. vs. Suffolk County. et al., which was executed on 12-31-18, and is available for viewing on the Lease Program Website. Amagansett Oyster Co., LLC is withdrawing its application for lease site 839, which was previously approved under the 2017 Lease Cycle, and re-applying for lease site 852. Having already received approval for a 10-acre lease site under the 2017 Lease Cycle, this lease acreage will not reduce the Annual Acreage Cap in any future lease cycle.

Pursuant to Local Law 25-2009, *A Local Law Establishing the Suffolk County Shellfish Aquaculture Lease Program in Peconic Bay and Gardiners Bay* (Chapter 475, Article II of the Suffolk County Code); the proposed lease site is located within the adopted Shellfish Cultivation Zone and is available for lease. The table below contains pertinent data and information about the amended Lease Application, including the name of the leaseholder, SCALP reference #, and proposed lease site center point coordinates. Prior to deploying any shellfish culture gear on a lease site, a lease applicant must first execute a lease with the County and secure permits from the New York State Department of Environmental Conservation and other pertinent regulatory agencies.

All comments regarding this lease application must be prepared in writing and mailed to the contact person listed below by close of business on April 15, 2019. Comments should include supporting documentation and data to the maximum extent possible. Those parties raising an objection to the leasing of site 852 based on reasons of natural productivity and commercial fishery should send a notarized letter, stating the particular reason(s) for the objection. Documentation supporting the claim should also be provided, including a copy of the parties' commercial harvest license, and documentation on harvests and sales, as applicable.
