## The Opioid Epidemic.... How Can the Community Respond?

All of us are called to help end this growing public health crisis which has claimed more than 500 lives on Long Island in 2016. The effects of this heartless epidemic are widespread and know no boundaries.

St. Patrick's Parish, in collaboration with St. Catherine of Siena Medical Center and LI-CAN (Long Island Congregations, Associations and Neighborhoods), has organized a Community Meeting to address the Heroin and Opioid Epidemic.

**Please join us at St. Patrick's Church (Canning Hall)**  
**284 East Main Street, Smithtown**  
**Thursday, Oct 5<sup>th</sup> 7:30 pm – 9 pm**

### **Keynote Speaker: Leslie Marino, MD**

*Dr. Marino is an addiction psychiatrist affiliated with Columbia University*

### **Joshua Bozek, MD**
