SMITHTOWN WATER DISTRICT

SUPERINTENDENT

CHRISTOPHER NUSTAD

90 E. MAIN STREET

KINGS PARK, NY 11754

Dear Customer,

As you may know, the Smithtown Water District receives water supply from the Suffolk County Water Authority. SCWA has received a deferral from maximum contaminant level violations from the New York State Department of Health for the newly regulated emerging contaminants PFOS, PFOA and/or 1,4-dioxane.

To view SCWA's deferral information please visit their website at:

Sincerely,

Chris Nustad
Superintendent
